Corner Inlet College aims to create a learning environment focused on equality; where respect for self, others, and the natural environment is embedded. We value student-centred learning, and our ambition is for every Corner Inlet College student to enjoy equal opportunities and access to an exceptional learning program.

Mission

Corner Inlet College aims to:

- Deliver the Victorian Curriculum within a progressive, evidence-based learning and teaching program,
- Generate a love for learning and creativity, motivated through a journey towards self-actualisation,
- Understand each student's unique learning style, accommodation requirements and reduce barriers to understanding,
- Designed student-centred learning, through a program that aligns education with individual interests,
- To develop opportunities for real world learning and encourage global thinking and understand cultural interconnectedness,
- To embed respect and understanding for our natural environments,
- To develop learners with growth-mindsets, emotional awareness and skills to express themselves and ask for what they need,
- Provide continual learning opportunities for members of our school and governance teams.

Values

Corner Inlet College is characterised by three key Values: Curiosity, Connection and Compassion. These form the foundation for our school's culture and are underpinned by evidence-based learning and teaching strategies.

- Developing a life-long love for learning
- Connecting our learners to their world
- Valuing care, uniqueness and wellbeing

Objectives

We endeavour to provide equal opportunities and access to an exceptional learning program that meets the needs of all students. And we maintain high academic standards through our delivery of an individualised education program.

Our learners discover their passions and engage in learning experiences that extend out into the local environment and local community. Corner Inlet College students notice, design, act and reflect on the world around them.

To ensure self-determination and fulfilling lives, we work closely with our students to encourage a growth mindset and a love for life-long learning. Corner Inlet College staff hold high expectations of themselves and for every learner.

Corner Inlet College is set amongst farmlands and native forest, overlooking the vast tidal wetlands and islands of Corner Inlet Marine National Park and Yirruk Wamoon (Wilson's Promontory National Park). We encourage the students to learn through and within nature, to grow into conscious guardians of the earth.

About you

At Corner Inlet College we are seeking progressive teachers who value strong working relationships and respect. We are looking for team members who have:

- Demonstrated experience and passion for teaching in secondary year levels.
- Demonstrated understanding of duties and responsibilities regarding supervision, child safety and wellbeing, and diversity and inclusion.
- Knowledge of child development appropriate to the role.
- Brilliant pedagogy and explicit instructions: Implement evidenced based practices that actively engage students in their learning process.
- Effective, productive, and thoughtful use of technology: Utilise technology as a tool to enhance teaching and learning experiences
- Strong, professional and kind relationships: Foster a safe, supportive and respectful classroom environment where students feel valued, respected and understood.
- Collaborative and ambitious striving: Encourage collaboration amongst students and team members so we can create perseverance, critical thinking and creativity.

- Modelling curiosity and commitment to deep learning: Demonstrate a passion for learning and inquiry-based thinking. Encourage students to ask questions, explore topics independently, and pursue their interests beyond the classroom.

If this sounds like you, we encourage you to apply to join the team at Corner Inlet College where we aim to create a supportive culture and learning environment that fosters both academic achievement and personal growth for our students.
